AMENDMENT

Mail Stop AF Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450 ok to enter!

Dear Sir:

In response to the Final Office Action mailed on May 19, 2005, Applicant through his Attorney offers the following amendments and remarks. Only one claim has been amended. The amendment does not introduce new subject matter, but instead presents a formerly dependent claim in independent form. No new search is required. amendment puts remaining claims in suitable form for allowance, or in the alternative better frames issues for consideration on appeal. For this reason, the amendment should be entered.
